## Headway Suffolk Wines

### Headway Suffolk White

**Pinot Grigio** – Perhaps one of the most popular wines in the world today, Pinot Grigio is characterised by its dry, light style, subtle citrus fruit, and refreshing acidity. This one from Gonella farm Veneto in Italy has a fresh, fruity wine acidity and a well balanced finish. The ideal apéritif or partner to oriental food, fresh fish or sea food.

### Headway Suffolk Red

**Chianti Classico** – A fabulous Italian Chianti, the black cockerel on its bottle indicates a good sign of quality. This Classico comes from the family run Dreolino Winery, not far from Florence. Lively, ready to drink with fresh and flavored bursts and a harmonious taste, with fruity perfumes of wild strawberries and raspberries. 85% Sangiovese, tempered with Colonno and Merlot. A big and full wine long lasting on the palate. Serve with wild game, red meats and cheeses.
